Dear Sir,

The Cricket Association of Bengal intends to scrutinize 'Aadhar Update History' of all the players who had registered themselves with the association for the cricket season 2025-26.

A portal shall be launched on the website of the association towards the end of June'26 wherein, based on the outcome of Aadhar Update History verification, each registered player will be able to view the list of document(s) that are required to be submitted at the association in order to be eligible to participate in the CAB Club Cricket Tournaments as well as in District Tournaments as "Local Player" and/or "Age Group specific player" for the cricket season 2026-27.

All the affiliated Clubs as well as all the affiliated District Sports Authorities are also requested to get 'Aadhar Update History' of any unregistered/fresh player(s) scrutinized at the latest by June 2026.

In view of aforesaid, you are requested to kindly keep your players informed so that they cooperate with the association during the process of 'Aadhar Update History' verification.

Thanking you,

Yours faithfully,

Bablu Kolay
