Ref No. 134/33/3488/2021

The Hony. Secretary

All 1st & 2nd Division Clubs
The Cricket Association of Bengal

Dear Sirs,

The Cricket Association of Bengal, having regard to the unprecedented pandemic still prevalent with the continued spread of the Covid 19 virus and its diverse variants and keeping in mind the interest of the players during this pandemic situation, has decided to extend the last date for registration of the players of all 1st and 2nd Division Clubs from 31 December 2021 to 31 January 2022.

Be it also noted that from reports in the mainstream media it appears that vaccination of the U18 age group would be soon commenced by the Authorities. In that view of the matter, extension of the last date of registration would also enable young budding talents who are in the U18 age group to be registered and thereby they would also get the scope and platform to perform and showcase their talent in the forthcoming Leagues and other tournaments.

Keeping in mind the aforesaid facts, the Apex Council of the CAB has unanimously approved the extension of the last date for registration of players of all clubs to 31st January 2022 for the cricket season 2021-2022. However, it was expressly agreed and decided that this extension is to be considered as a special case and would not to be treated as a precedent in the future.

This is for your information and necessary action.

Thanking you,

Yours faithfully

SNEHASISH GANGULY
Hony. Secretary
